Re: United States v. Roberto Candelario
21 CR 548 (JPO)

Dear Judge Oetken:

By this letter motion, the Defendant requests that the conference in this matter scheduled for November 22, 2021 be adjourned approximately 30 days to a date that is convenient to the Court. The Government consents to the request.

The defense has received the bulk of the discovery and is in the process of reviewing it, a process that is still ongoing. In addition, the parties expect to be discussing potential resolutions of the matter, and the adjournment will permit those discussions to continue.

Accordingly, the defense respectfully requests that the matter be adjourned and that adjournment period be excluded from computation under the Speedy Trial Act because "the ends of justice served by the granting of such continuance outweigh the best interests of the public and the defendant in a speedy trial," 18 U.S.C. § 3161(h)(7)(A).

Granted. The November 22, 2021 pretrial conference is adjourned to December 21, 2021 at 3:15 pm. The Court hereby excludes time through December 21, 2021, under the Speedy Trial Act, 18 USC 3161(h)(7)(A), finding that the ends of justice outweigh the interests of the public and the defendant in a speedy trial.

So ordered: November 18, 2021

Very truly yours,

David Wikstrom
